AR	Community and Employment Support Waiver (CES Waiver)	A. Diagnosis of developmental disability under definition cited in Arkansas Code Ann. § 20-48-101. 1) Is attributable to intellectual disability, cerebral palsy, spina bifida, Down syndrome, epilepsy or autism spectrum disorder. a. Intellectual Disability - As established by scores of intelligence which fall two or more standard deviations below the mean of a standardized test of intelligence administered by a legally qualified professional; Infants/Preschool, 0-5 years - developmental scales, administered by qualified personnel authorized in the manual accompanying the instrument used, which indicate impairment of general functioning similar to that of developmentally disabled persons	Dependent on Singular IQ Score Cutoff	Arkansas Department of Human Services Division of Developmental Disabilities Services. (n.d.). <i>Agency definition of disability/eligibility for services</i> . https://humanservices.arkansas.gov/wp-content/uploads/DDS_Policy_Admin_1035_Agency_Definition_Disability_Eligibility_Service_2019_12_31.pdf Document Type: State Department Policy Manual

CA	Home and Community-Based Services for the Developmentally Disabled Waiver (HCBS Waiver)	<p>(a) (1) “Developmental disability” means a disability that originates before an individual attains 18 years of age, continues, or can be expected to continue, indefinitely, and constitutes a substantial disability for that individual. As defined by the Director of Developmental Services, in consultation with the Superintendent of Public Instruction, this term shall include intellectual disability, cerebral palsy, epilepsy, and autism. This term shall also include disabling conditions found to be closely related to intellectual disability or to require treatment similar to that required for individuals with an intellectual disability, but shall not include other handicapping conditions that are solely physical in nature.</p> <p>(l) (1) “Substantial disability” means the existence of significant functional limitations in three or more of the following areas of major life activity, as determined by a regional center, and as appropriate to the age of the person: (A) Self-care. (B) Receptive and expressive language. (C) Learning. (D) Mobility. (E) Self-direction. (F) Capacity for independent living. (G) Economic self-sufficiency.</p>	Non-IQ Dependent	<p>State of California Department of Developmental Services (2023). <i>Lanterman developmental disabilities service act and related laws</i>. https://www.dds.ca.gov/wp-content/uploads/2023/02/Lanterman_2023_Pub.pdf</p> <p>Document Type: Lanterman Act Information Packet</p>
CO	Supported Living Services Waiver (SLS Waiver), Developmental Disabilities Waiver (DD Waiver)	<p>Developmental Disability” means a disability that:</p> <p>A. Is manifested before the person reaches twenty-two (22) years of age;</p> <p>B. Constitutes a substantial disability to the affected individual, as demonstrated by the criteria below at C, 1 and/or C, 2; and,</p> <p>C. Is attributable to an intellectual and developmental disability or related conditions which include Prader-Willi syndrome, cerebral palsy, epilepsy, autism or other neurological conditions when such conditions result in impairment of general intellectual functioning or adaptive behavior similar to that of a person with an intellectual and developmental disability. Unless otherwise specifically stated, the federal definition of “developmental disability” found 42 U.S.C. § 15002, et seq., shall not apply.</p>	Variable IQ-Dependent	<p>Colorado Code of Regulations. 10 CCR 2505-10 8.600. (n.d.). https://www.sos.state.co.us/CCR/GenerateRulePdf.do?ruleVersionId=10760&fileName=10%20CCR%202505-10%208.600</p> <p>Document Type: State Code of Regulations</p>

		<p>1. "Impairment of general intellectual functioning" means that the person has been determined to have a full scale intellectual quotient equivalent which is two or more standard deviations below the mean (70 or less assuming a scale with a mean of 100 and a standard deviation of 15).</p> <p>a. A secondary score comparable to the General Abilities Index for a Wechsler Intelligence Scale that is two or more standard deviations below the mean may be used only if a full scale score cannot be appropriately derived.</p> <p>b. Score shall be determined using a norm-referenced, standardized test of general intellectual functioning comparable to a comprehensively administered Wechsler Intelligence Scale or Stanford-Binet Intelligence Scales, as revised or current to the date of administration. The test shall be administered by a licensed psychologist or a school psychologist.</p> <p>c. When determining the intellectual quotient equivalent score, a maximum confidence level of ninety percent (90%) shall be applied to the full scale score to determine if the interval includes a score of 70 or less and shall be interpreted to the benefit of the applicant being determined to have a developmental disability.</p> <p>2. "Adaptive behavior similar to that of a person with intellectual disability " means that the person has an overall adaptive behavior composite or equivalent score that is two or more standard deviations below the mean.</p> <p>a. Measurements shall be determined using a norm-referenced, standardized assessment of adaptive behaviors that is appropriate to the person's living environment and comparable to a comprehensively administered Vineland Scale of Adaptive Behavior, as revised or current to the date of administration. The assessment shall be administered and determined by a professional qualified to administer the assessment used.</p>		
--	--	---	--	--

		<p>b. When determining the overall adaptive behavior score, a maximum confidence level of ninety percent (90%) shall be applied to the overall adaptive behavior score to determine if the interval includes a score of 70 or less and shall be interpreted to the benefit of the applicant being determined to have a developmental disability.</p> <p>D. A person shall not be determined to have a developmental disability if it can be demonstrated such conditions are attributable to only a physical or sensory impairment or a mental illness.</p>		
CT	Comprehensive Supports Waiver, Employment and Day Supports Waiver, Individual and Family Support Waiver	To show that an individual has an intellectual disability, you will need to submit a copy of all intelligence/cognitive tests and tests of adaptive functioning completed prior to the age of 18. Full Scale IQ scores on intelligence/cognitive tests need to be 69 points or lower. Significant limitations in intelligence and adaptive skills must be present at the same time and have existed before the individual was 18 years of age.	Dependent on Singular IQ Score Cutoff	<p>Connecticut Department of Developmental Services. NH	Developmental Disabilities Waiver (DD Waiver)	<p>(n) “Developmental disability” means “developmental disability” as defined in RSA 171-A:2, V, namely, “a disability: (a) Which is attributable to an intellectual disability, cerebral palsy, epilepsy, autism or a specific learning disability, or any other condition of an individual found to be closely related to an intellectual disability as it refers to general intellectual functioning or impairment in adaptive behavior or requires treatment similar to that required for persons with an intellectual disability; and (b) Which originates before such individual attains age 22, has continued or can be expected to continue indefinitely, and constitutes a severe disability to such individual’s ability to function normally in society.”... (x) “Intellectual disability” means “intellectual disability” as defined in RSA 171-A:2, XI-a, namely, significantly subaverage general intellectual functioning existing concurrently with deficits in adaptive behavior, and manifested during the developmental period. A person with an intellectual disability may be considered mentally ill provided that no person with an intellectual disability shall be considered mentally ill solely by virtue of his or her intellectual disability.</p>	Non-IQ Dependent	<p>New Hampshire Code of Administrative Rules. pt.
