# A vision to bring college and career opportunities to SPS

Vision:

To coordinate and implement college and career pathway opportunities, but not limited to internships, job shadowing, certifications, guest speakers and coursework, working with school staff, community members, businesses, and higher education to bring college and career experiences to Southington Public Schools.

# A Vision of a Graduate-*Rooted in Transition Skills*

“A graduate of the Southington Public Schools will be **college or career ready and prepared for life beyond** by mastering the knowledge and demonstrating the skills to communicate effectively, think creatively and critically, and contribute to the global community.”

# Mission to expand

## Mission:

Seek and vet opportunities for student internships, job shadows, certifications, guest speakers and coursework related to career pathways. Then collaborate with the school counseling department to actualize the experience by coordinating all stakeholders.

# Next Steps

- Disseminate information about job opportunities, certification programs and internships
- Use data analysis (including student surveys) to evaluate career pathway programming
- Tracking of data from Next Generation Accountability System: Indicator 5 and 6
