Kaitlin Lennon- Grant Writing

# Mission & Vision

Vision- By using grants to increase funding for resources for members of our community identified under IDEA and their families.

Mission- By locating and applying for grants, we will be able to provide funding for additional and effective supports, services, and programs for members of our community identified under IDEA and their families.

# Mission & Vis

Mission- PARC promotes and protects the human rights of people with intellectual and developmental disabilities and actively supports their full inclusion and participation in the community throughout their lifetimes by providing family centered support, direct services and advocacy.

Vision- We are a non-profit, family-centered organization that has been committed to providing support services to people with developmental disabilities in our community for 65 years.

# Goal Submit a grant to meet an identified area of need

## **Objective 1:** Scan for area(s) of need

**Activity 1.1.:** Speak w/ Exec. Director to discuss their identified areas of need and their own history of applying for and receiving grants

**Activity 1.2.:** Create focal questions for Existing Members & Families to identify area(s) of need

**Outcome:** Provide insight into areas of need for our PARC members/community

**Identified Area of Need:** Opportunities to be social and interact in new and/or unfamiliar social environments

(provide an experience for our members)

# Goal Submit a grant to meet an identified area of need

**Objective 2:** Identify grant sources to meet identified area of need

**Activity 2.1.:** Read through a grant to see what the requirements are

**Activity 2.2.:** Identify necessary information to complete requirements

**Outcome: Identify 1-3 grant sources**

**Grant Source:** Identified (Local grant source, seeking a large amount)

- Conversation via telephone w/ the funders to identify if this grant is appropriate for our group
- Inquired about timelines and deadlines for submitting grant

# Goal Submit a grant to meet an identified area of need

## **Objective 3:** Complete a grant

**Activity 3.1.:** Locate the necessary information to complete requirements of the grant

**Activity 3.2.:** Answer the necessary questions/requirements for completion

## **Outcome: Beginning to complete the identified grant**

### Steps:

1. Identified what we are asking for
2. Collect information on costs ← Currently
3. Meet again with the Exec. Director to continue the process, review quotes, etc.
